## VAUDEVILLE FOR COUNTY FAIR

With Hamid, Inc. have announced their vaudeville acts for the stage show in front of the grandstand during Oxford County Fair. The performance will be led by the Parker Family in three separate acts in the program. Norman, the frog man, is a contortionist playing the best time. He appeared in Norway Opera House some years ago and is known as the "magician" performers doing that stuff. The White Brothers come as star aerobics and tumblers, with a line of flips and twists just a little out of the ordinary. Fred Bates is a vocalist and will sing popular songs with the band. This combination is believed to be one of the best platform attractions ever offered by the Society.

Secretary W. O. Frothingham points out that in many respects the first day will be the best. All perishable exhibits are fresh and attractive, besides the crowd is not there to worry and jostle many wishing to take in the show at their leisure. Some of the best races are carded for that day. Practically everything is there except the big crowds that jam the fair grounds on the second day.
